VCC VESTISCHES KULTUR- & CONGRESS
ZENTRUM RECKLINGHAUSEN

Over a period of two years, the original Ruhrfestspielhaus, built in the Bauhaus style in 1965, was renovated and expanded to create a modern culture and congress centre. This means that in addition to traditional events such as the Ruhr Festival, we can now host a variety of additional events in the international congress, conference and seminar sector as well as exhibitions and trade fairs. Visitors will find a friendly and open ambience surrounded by the Recklinghausen city park.

The house was awarded with the 2001 German Architecture Prize.

Situated in the north of the Ruhr Valley, with good traffic connections, the Ruhrfestspielhaus is in green surroundings yet very central. The Old Town and the world famous Icon Museum are just a 15 minute walk away.

All rooms can be combined as desired, incl. the 1010-seat integrated theatre auditorium that has one of the biggest stages in Germany.

The ground and first floors are also suitable for showing automobiles.

We offer full service – from hotel reservations to extravagant supporting programmes (e.g. night-time mineshaft tours, golf and cross golf, summer skiing, etc.).

Hotels in the neighbourhood:

Several hotels are just a 3–15 minute walk away, and our optimum road connections mean that even more hotels in the direct vicinity are within easy reach.
